Chapter 1 by Wolfato the Bunacado (Wolves4Days) - Inactive

Hey! Intellikat! Yeah! Over here! The public (Story Wars Peoples) is going to ask you questions that I would like you to answer! So if you can...RESPOND! Ask away public! Wait...I want to start it off so here are my questions.

1. When and how did you find out about Story Wars?

2. What made you so popular?

Chapter 2 by Wolfato the Bunacado (Wolves4Days) - Inactive

P.S.- I'm new to Story Wars, so please stop me if I ask a dumb question that everyone already knows. :)

Chapter 3 by Jonnie Green- Movie Maker Jedi and Super Awesome Story Writer (P.S. This is a SECRET identity)

Answer, Intellikat!

Except that would kind of ruin the mystery and intrigue, wouldn't it?

Chapter 4 by Aimee10

Sorry I'm new to Story wars too so who exactly is Intellikat? Sorry if I offend anyone its just that well I've written stories with few people reading them and I don't understand how people become popular anyway. I have 11 stories and my best one "DNA Match" has 21 views and it has only 2 chapters. I know its sad so don't judge me.

Anyway here are some questions I would like Intellikat to answer.
1. Are you a good writer? (I know its probably yes but I've never read one of his or hers stories)
2. As my first question clearly showed are you a boy or a girl?
3. How did you become so popular?

Chapter 5 by Jerry McSenderson

Mr. Intellikat, Could you please answer these cool (I hope) questions? By the way I'm kind of new to story wars also (im, like, the third person to say this so its kind of irelivant though) And even though I follow you that's only because I follow flipen everyone but, here are the questions.

1. Have you written any actual books?
2. Do you like Cherries?
